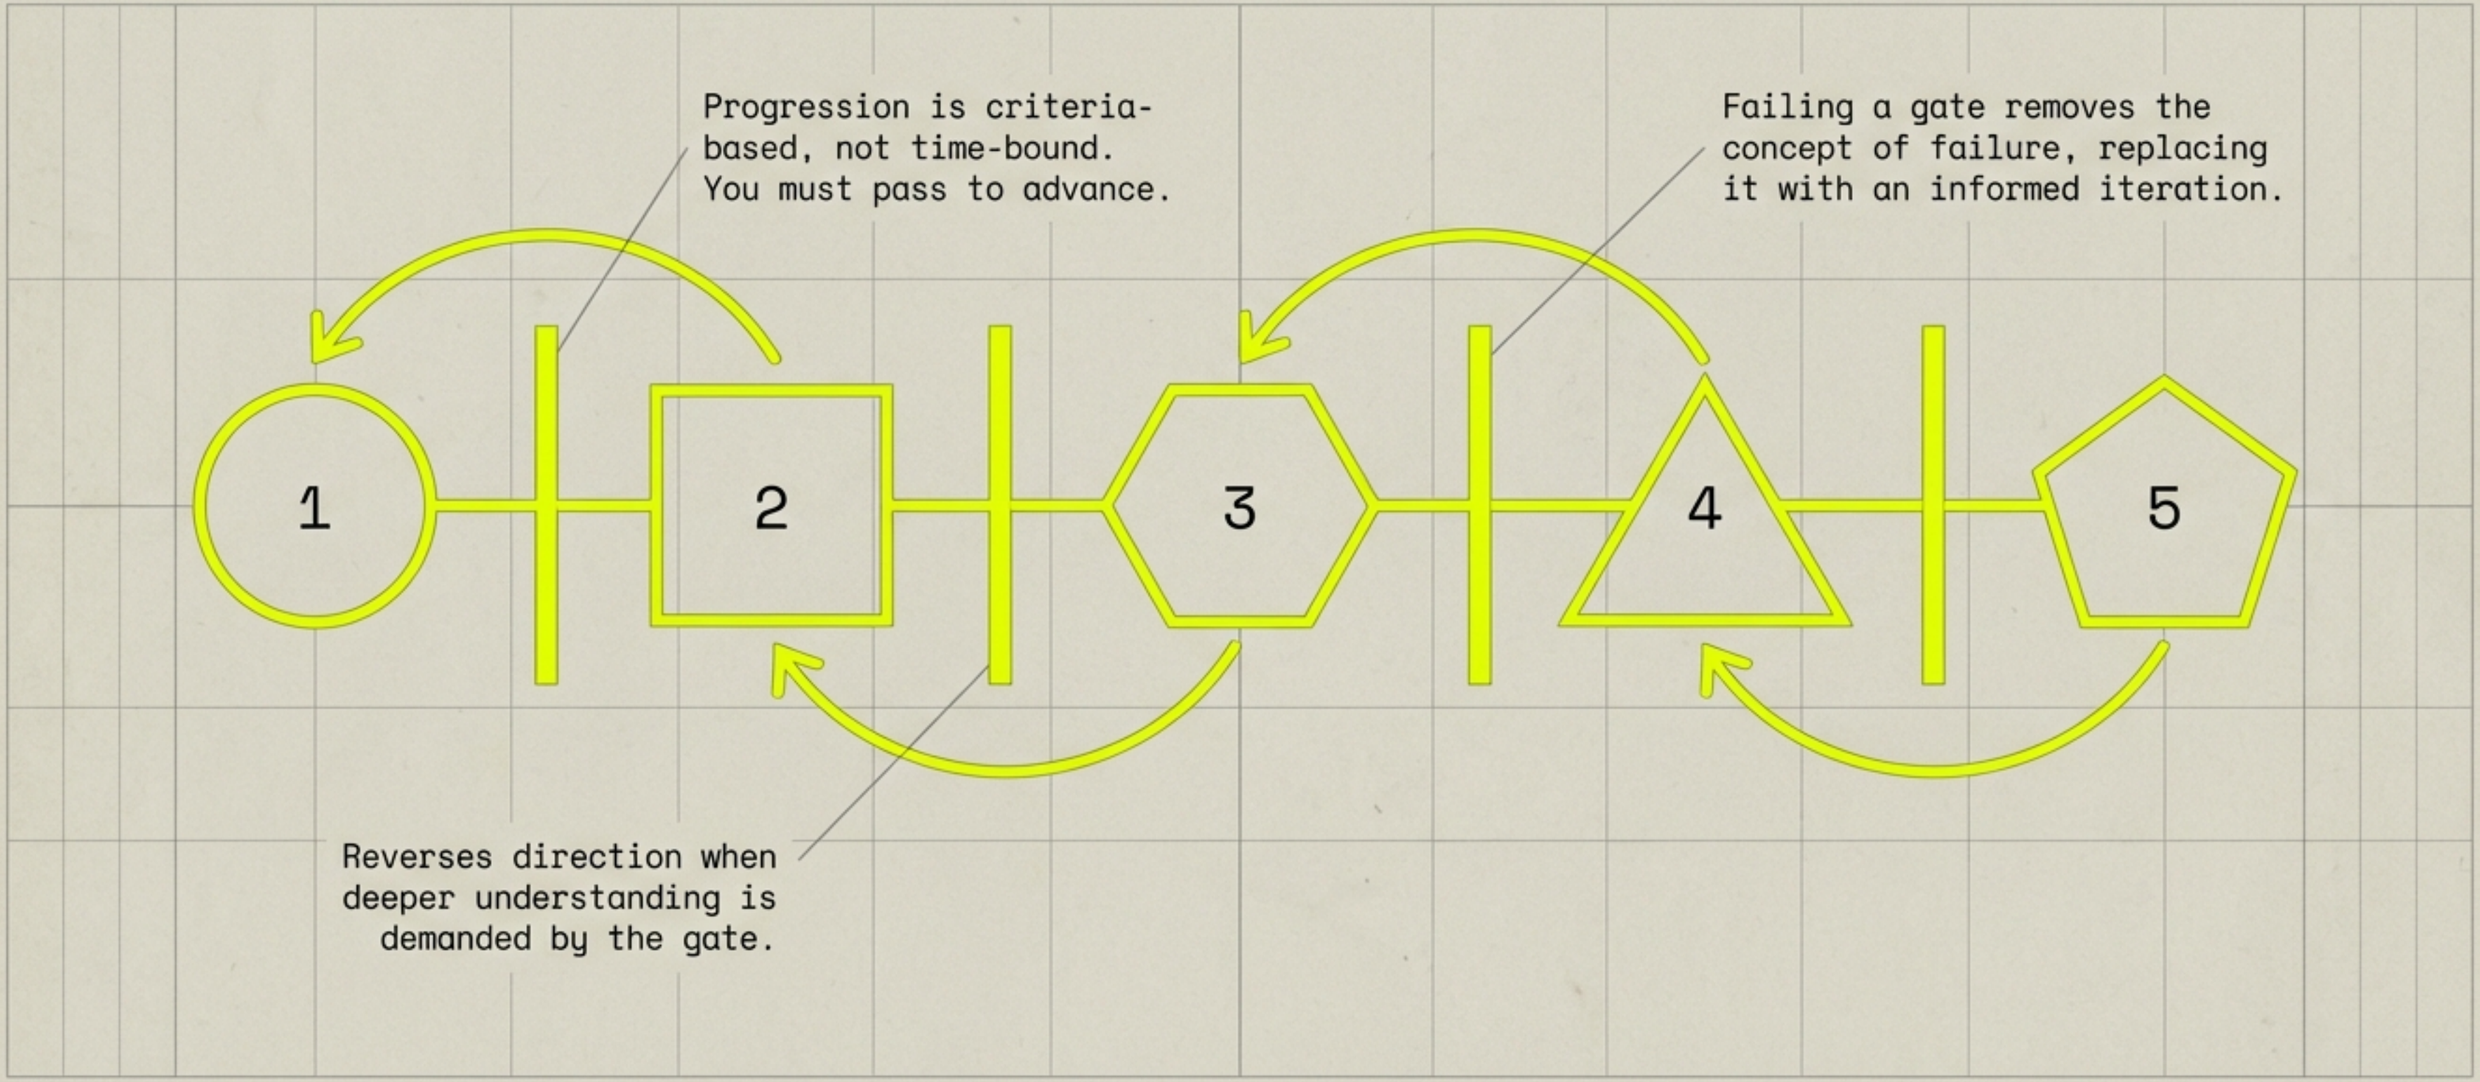
Element 01 of 11

Process

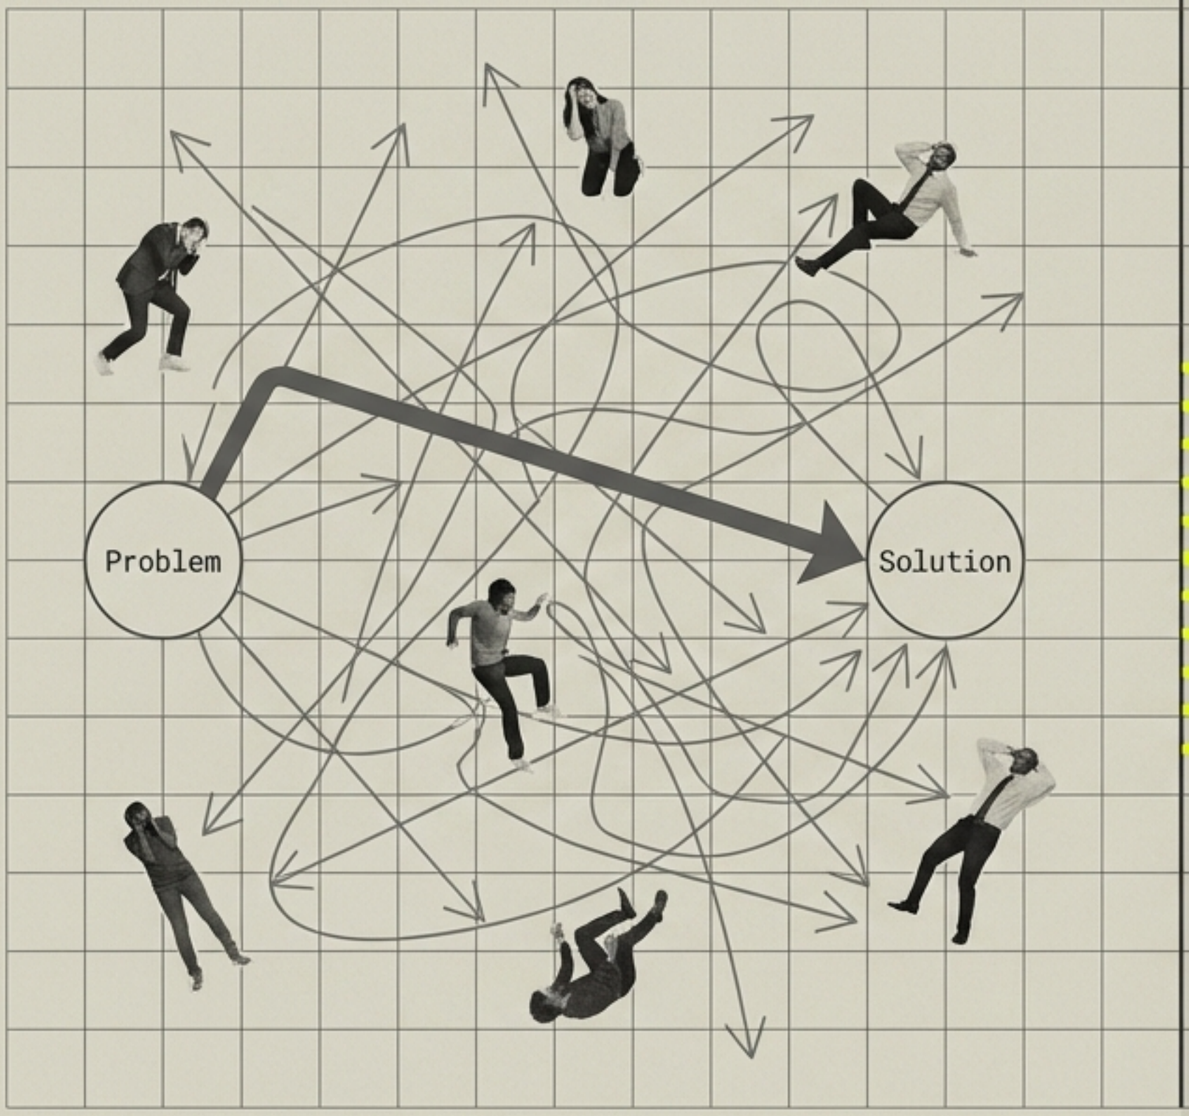
Cluster: The What

What is Process?

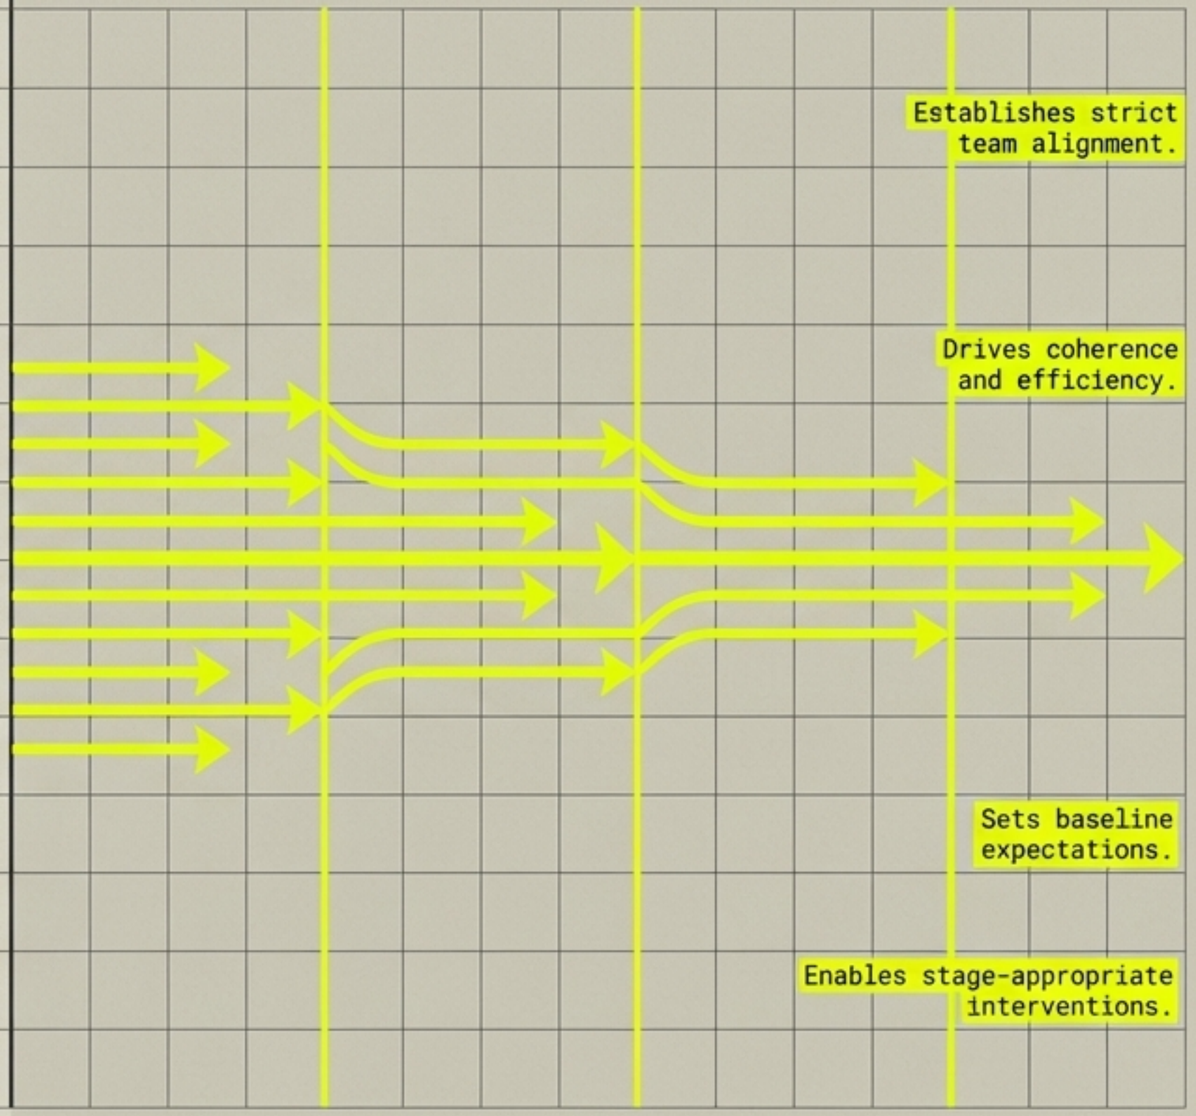
Structured, repeatable, learnable boundaries guiding innovation work.



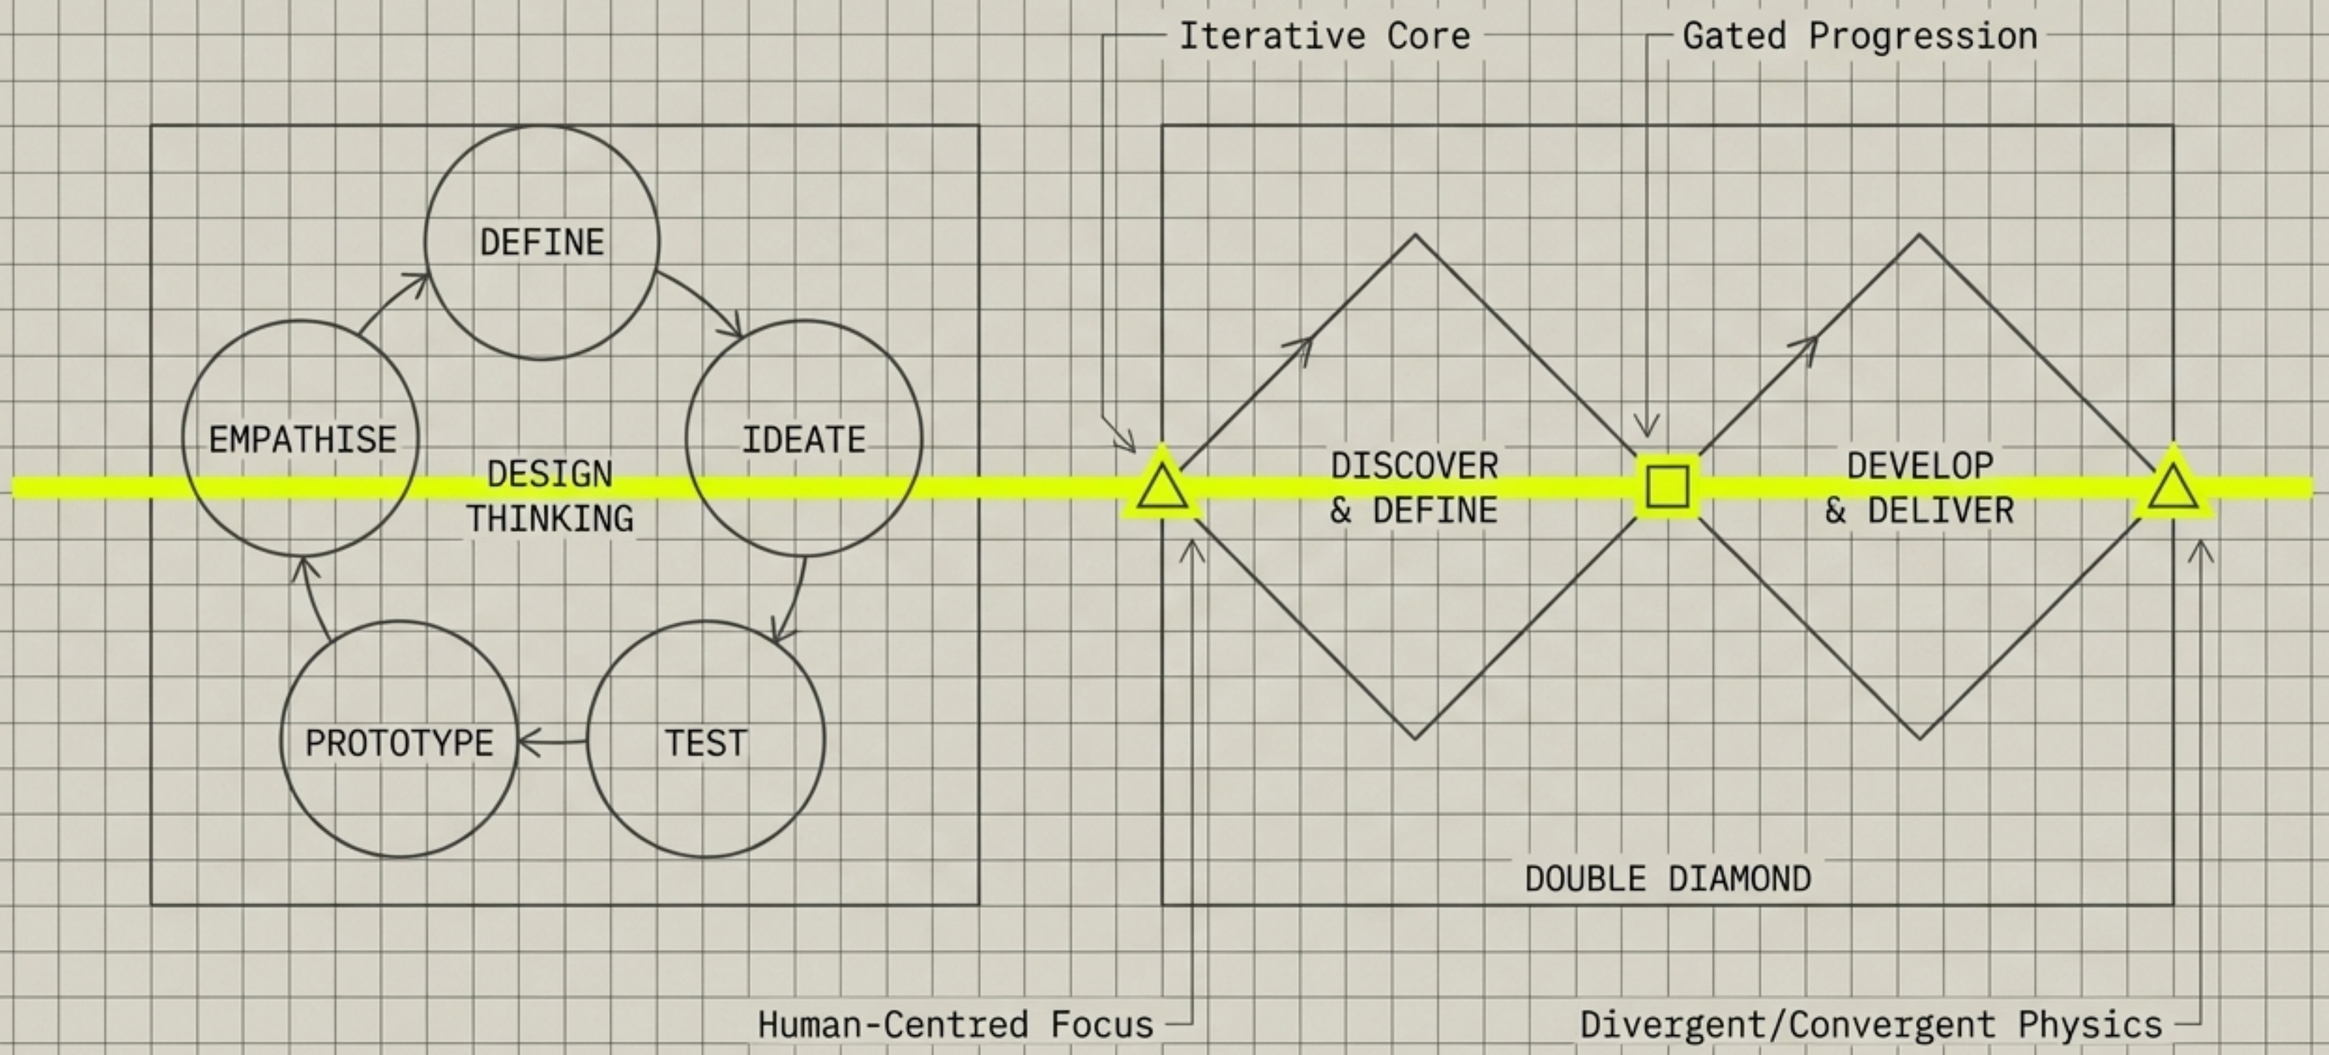
Chaos: Solution-Jumping



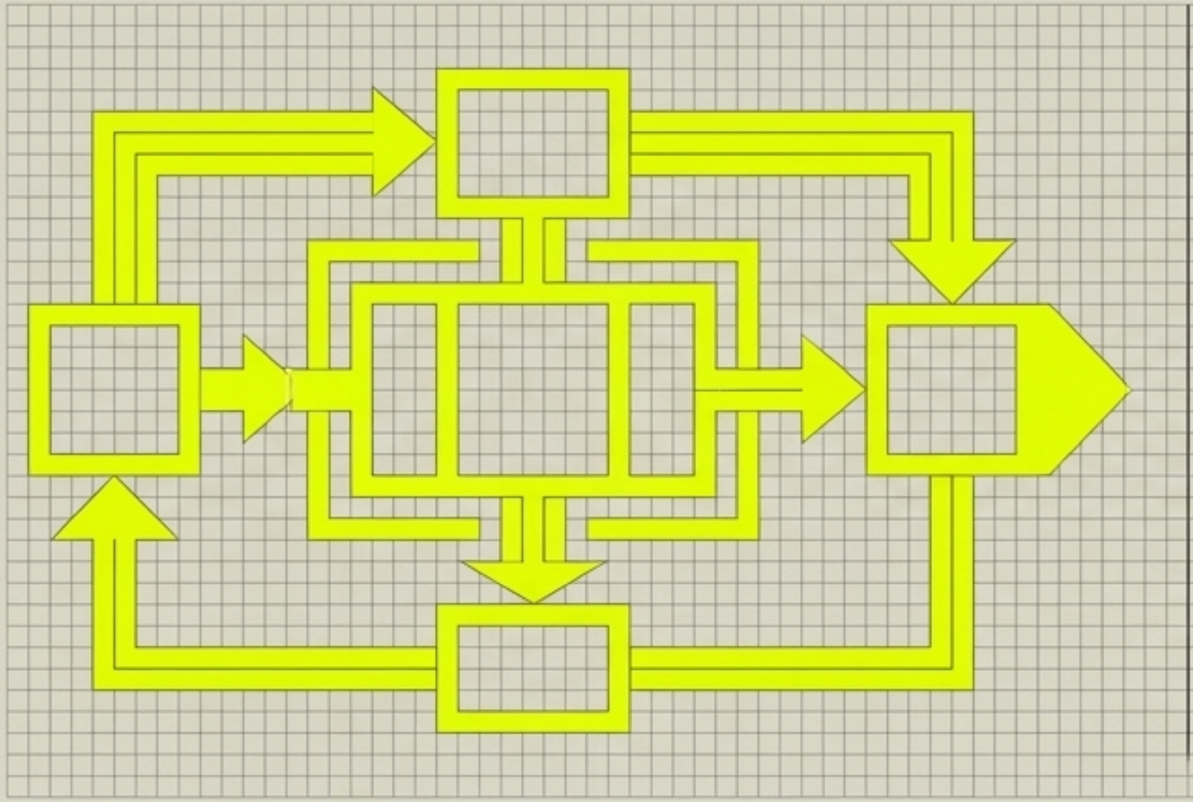
Process: Evidence-Based Progression

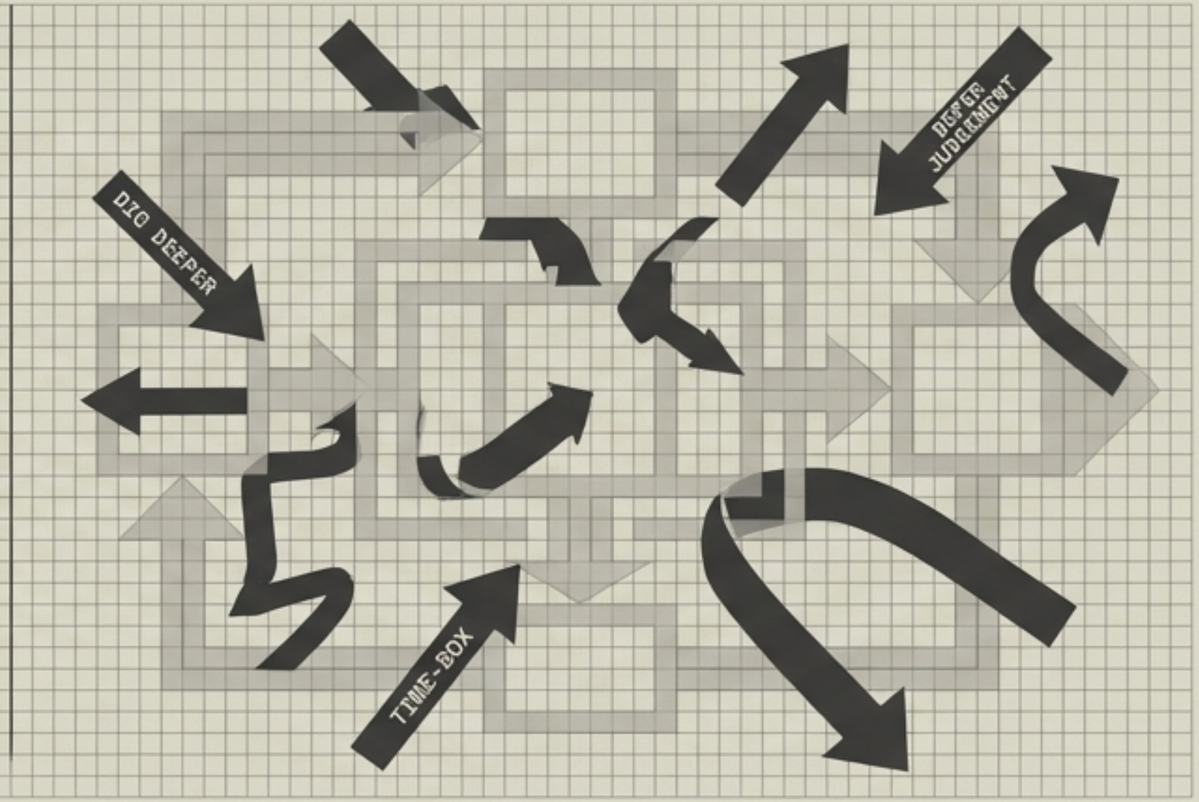


Process Frameworks



Process vs Interventions





Process (The Map)	**Interventions** (The Moves)
Provides structure and direction.	Provides momentum.
Defines the phases.	Deliberate tactical actions (e.g., ‘dig deeper’, ‘time-box’, ‘defer judgement’).

“Failure becomes data—each iteration narrows uncertainty.”
